

UpstateAllstarzRadio App Business Listings

Store Listings is a unique way to advertise your Business to [our App](#) Users. Store Listings can possibly add more than a 20% increase to your bottom line by increasing your walk-in's to your Physical Store and Website Visits by our unique way of marketing your Business to our listeners locally, and worldwide. Our App list Businesses on our Users phone based on the closest Store to User's present location. The Closest Store to User will be listed first. Our Packages is as follows:

*****Silver Package:** Listing includes the following

- Photo or Logo on App
- Have an already Produced Video Commercial Linked to your Add
- Link to Your Website to increase traffic to your website
- Direct from App Phone Dialing of your Store by pressing your Phone# on the Ad
- Your Store Location will have a Map giving User Directions to your location from their present location -

Silver Package investment = [\\$50 per Month](#) or [\\$498.00 for 1 Year](#) per 1 Location

***** Gold Listing Package:** includes all the above plus a Radius Notification. When the User enters a certain radius close to your store a notification will pop up on the Users App letting them know they are Close by your store, in which, in the Notification you can offer daily specials to get them to come in to your store.

Gold Listing Package Investment = [\\$80.00 per Month](#) or [\\$780.00 for 1 year](#) per 1 Location

**DRAW

TO YOU**

***** Platinum Listing Package:** includes all the above plus Beacons Listings. [What is Beacon?](#) Beacons are the New Popular Technology that is taking the Store Front Retail Business to another level. Beacons are a low-cost piece of hardware — small enough to attach to a wall or countertop — that use battery-friendly, low-energy Bluetooth connections to transmit messages or prompts directly to a smartphone or tablet. You can place Beacons all in your store where you may have products on sale; For when the customer enters, your store will send notifications to the App User letting them know which items are on sale based on products App Users is most interested. This Product Match is compiled from User Internet browser Searches. See attached video on how to use the Next Big Thing in Retail Technology.

Platinum Package Investment = [\\$125.00 per Month](#) or [\\$1,200.00 for 1 Year](#) per 1 Location
